# CAMP COOBY

## JUNIOR HOLIDAY CAMPS

6 - 13 years

CARE | CONNECT | LEAD

Dear Camp Cooby Families and Friends,

Thank you for choosing Camp Cooby for your child! We have a range of outdoor and indoor activities planned for your child to help them get unplugged, make new friends and enjoy the outdoors.

People often ask me, why run holiday camps? Well, as a child I was fortunate enough to enjoy summer camps, I then worked as a Camp Counsellor in the USA, and when I became a parent myself I wanted my children and other children to have the same opportunity to experience the fun and memories that come from holiday camps. As a psychologist, I can see the benefits that come from having fun outdoors. This really is not just a job for myself and the team, it is our way of making a positive difference in the lives of children and families.

Camp Cooby is certainly my second home and we want it to be your child's second home too. It is a place where your child (and our team) can explore nature, be creative, try out new things, build friendships and have heaps of FUN! it is our vision to help our campers "Connect, Care and Lead" with themselves, others and the environment. We've grown significantly over the last three years, starting with 5 campers and reaching 60 at our last holiday program. We have had children attend from England, Turkey, China and from all around Queensland and New South Wales. Most of our campers hear about us from word of mouth...so thank you to our Camp Cooby Alumni for your recommendations! We are proud to be your second home and it is great to see you return.

Camp Cooby has an amazing, diverse team who are united in a passion to provide children with the best possible camp experience. We acknowledge the trust that you have placed in us to ensure the safety and wellbeing of your child and assure you that our whole team is focussed on offering your child a safe and fun holiday experience to develop confidence and independence. The journey of fostering independence can be FUN but may bring challenges as your child adapts to a new environment. Our team bring a wealth of experience in assisting children to quickly settle in so that they can get the most out of their camp experience.

This booklet has lots of wonderful information to help you prepare your child to get the most out of their camp experience. We will also share more information via email and on Facebook. Thank you for choosing Camp Cooby, a family owned and operated Holiday Camp! We hope that Camp Cooby becomes a holiday program choice for your family not only for this Holiday Camp, but for many holidays to come. We look forward to welcoming you into our camp family!

See you soon!

Tanya Hall (Director, Camp Cooby)

## Details & Policies

### Staffing and Supervision

Camp Cooby employs qualified and experienced camp leaders whose compassion, integrity, and fun nature makes them stand out! As a requirement of employment at Camp Cooby, all staff must possess and maintain current Blue Cards and facilitator accreditations.

Camp Cooby operates at a minimum of a 1 staff member to 10 children ratio for day time activities, and a 1 to 20 ratio for overnight campers.

### Camper Behaviour and Conduct

At Camp Cooby we abide by one simple rule – RESPECT! This includes respect for yourself, for other people (including other campers and staff members), and respect for the environment and equipment at Camp Cooby.

We uphold a strict no violence and bullying policy at Camp Cooby and will not tolerate behaviour that will affect other campers' experiences at Camp Cooby. If a camper engages in behaviour that causes, or risks causing, physical or mental harm to another camper or staff member, we will generally provide them with a warning and manage the behaviour within camp. If the behaviour continues, or was of sufficient concern that a warning would not be appropriate, then the parents of that camper will be contacted and asked to collect their child from camp. Unfortunately, that camper will not be allowed to return to camp for that camp period and no refunds will be given for days/nights missed at camp.

Some activities run at Camp Cooby are high risk activities and as such, are operated under strict safety guidelines to ensure the safety and wellbeing of participants, observers, facilities, wildlife, and fauna. Failure to comply with these guidelines will result in a participant being removed from the activity. Continued failure to comply with safety instructions will result in Camp Cooby staff requesting that the parents of that camper be contacted and asked to collect their child from camp. If a parent/caregiver is contacted to collect their child from camp then that child MUST be picked up within 2 hours. Failure to comply with this time frame will result in additional charges and/or the authorities being contacted. If sent home as a result of poor behaviour campers will not be allowed to return to camp for that camp period and no refunds will be given for the days/nights missed at camp.

We are unable to help if we don't know about an incident - if your child witnesses an incident, they must report this to Camp staff.

## Mobiles and Electronic Devices

It is our desire to keep Camp Cooby a technology free zone. We want to give our campers the best opportunity possible to live in the moment and make new friends without the distractions of social media and intrusions of digital technology. For this reason, Camp Cooby maintains a strict 'No Mobile or Technological Device' policy. If a camper is found with a mobile or technological device during Camp, their mobile device will be confiscated and will only be returned upon sign out. Campers found using mobile phones or technological devices during camp may be grounds for dismissal. No refunds will be given for days/nights missed at Camp.

## Phone Calls Home

We appreciate that at times our campers can get homesick and are more than happy to allow them to call home using one of our camp phones. All calls are supervised by a Camp Cooby staff member

## Accommodation

As part of the camp experience, Camp Cooby will provide tents and mattresses for the campers to set up and sleep in for the duration of the camp. All we ask is that you make sure to send your child/ren with a sleeping bag and pillow for bedding (which are included in the 'What to Bring to Camp' checklist on page 7 of this booklet).

Tents are allocated according to age groups and each tent generally holds up to 8 people. Boys and girls are accommodated separately.

Parents please note that you must advise Camp Cooby staff if your camper has a night time condition that requires attention.

## Meals

Camp Cooby is known for filling bellies with delicious, wholesome, healthy foods! As part of your Camper Package Day Campers have morning tea, lunch and afternoon tea included while our Overnight Campers have breakfast, morning tea, lunch, afternoon tea, dinner....AND supper!! Our qualified and experienced catering team can also cater for all your dietary requirements too!

## Lost Property

When collecting your child/ren from Camp please make sure to check their luggage and bags to make sure that they have all of their belongings. All lost property is collected at the end of each day at Camp and is placed on a 'Lost Property Table' near the sign in/sign out table. At the end of Camp, all lost property is sent to our office at 121 West Street where you are welcome to collect your child/ren's belongings during office hours (8:00am - 4:00pm). Please note that we will only hold lost property at our office for up to one week following Camp. After this time, all belongings will be donated to Lifeline.

## Registration and Camp Fees

Please see all information regarding camp fees on page 8 of this document.

All registrations and bookings can be made through our Camp Cooby website at:  
<http://www.campcooby.com.au/bookings/holiday-program/>

## Medical Details & Consent

When you register your camper through our online booking process, you will be prompted to complete our Camp Cooby Booking Form, and our Medication Administration Form. So that we can meet the needs of every child at camp, we do require you to fill these forms out with as much detail as possible (including any medical conditions, dietary requirements, medications, etc.) and return the form to us before your child/ren arrives at camp. The form also gathers information pertaining to consent and physical abilities. Please note that if we do not receive this form prior to the camp start date, your child will not be able to attend camp.

## Cancellation Policy & Refunds

Please be aware that no refunds will be processed for cancellations and/or days or nights missed at Camp Cooby. Psychological or behavioural issues are not grounds for refunds.
